If there is any information omitted or incorrect, you have a duty to inform us immediately, failure to disclose to us such necessary information could invalidate your insurance or result in a claim not being paid. We will advise you of any revised premium and/or changes to terms and conditions that may result from additions or amendments you make and send you a new Statement of Fact.

Insurers pass information to the claims and underwriting exchange register, run by Insurance Database Services (IDSL) and the motor insurance anti-fraud and theft register, run by the Association of British Insurers (ABI). The aim is to help us to check information provided and also to prevent fraudulent claims. Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may or may not give rise to a claim.

When you tell us about the incident, we will pass the information relating to it to the registers. Your insurance cover details will be added to the Motor Insurance Database, run by the Motor Insurers Information Centre (MIIC). This has been set up to help identify uninsured drivers and may be searched by the police to help confirm who is insured to drive. If there is an accident, the database may be used by insurers, MIIC and the Motor Insurers Bureau to identify relevant policy information. You can ask more about this. You should show this notice to anyone insured to drive the vehicle covered under the policy.

All the above information will also be retained and updated by your Insurers.
